

an unreported stolen vehicle.

Officer Hines 9316 called and made contact with AVIS rental car company and spoke with Kas Marcus, employee ID 746310. Officer Hines noted the following in his report:

She stated that on their system, the vehicle was showing to be in their inventory and was showing to be at the service center as of 7/2025, and that nobody was supposed to be in possession of it right now. Kas stated that vehicle was last rented in early July of 2025, with no rentals since then. Kas stated it was possible that it may have been stolen from their service center without being detected until now and said that something like this has happened before.

Kas stated that whoever had the vehicle now, did not have AVIS' effective consent to be operating it. Kas stated they do have tracking that AVIS has access to in an attempt to locate it, but she did give consent for APD Officers to put a tracking device on it in an attempt to apprehend a suspect and also recover the vehicle.

I had APD dispatch enter the vehicle as stolen through NCIC/TCIC, which was also broadcasted citywide. (NIC/V547135466)

When the vehicle first arrived, Officer Ridenour 6172 observed it was being driven by a white or Hispanic female, wearing a black shirt, red pants, with tattoos on her neck and arms. She was the only occupant in the vehicle. She was positively identified through APD involvement (matched mugshot) as:

J. Alba-Barrientos

Alba-Barrientos went inside the hotel to an unknown room. A short time later, Officer Ridenour 6172, working in an undercover, plain clothes capacity, observed a black male come out from the hotel into the parking lot. He went into a black Audi sedan, bearing Texas temporary tag "6715F24." Officer Wright ran that plate through the APD Involvement database. A black male had involvement with the vehicle, identified as Charles Black. Officer Wright showed Officer Ridenour the mugshot of Charles Black. He confirmed that was the same male who went into the Audi.

Officer Ridenour **observed Charles Black get into the Jeep driver's seat using a key fob, noting the signal lights flashed as he approached, indicating the car was unlocked remotely.** Officer Ridenour **observed Charles drive the vehicle out of the parking lot,** before returning a short time later. Charles was then seen moving items from inside the jeep to inside the hotel using a blue rolling cart.

Affiant believes probable cause exists to charge Charles Durst Black, a black male born on July 13th, 1981, with Unauthorized Use of a Motor Vehicle, a State Jail Felony. Charles Black operated the stolen 2025 Jeep Compass, bearing a wrong plate of "MYP1854" without the effective consent from AVIS Rental.

October 18th, 2025-October 19th, 2025

At approximately 11pm, Affiant was working Secondary Employment in the Domain. Affiant was monitoring electronic surveillance data when Affiant discovered the stolen Jeep was inside the Domain. The Jeep was near Whole Foods. Around 1130pm, the Jeep drove through the Red Garage. Officer Ridenour and Affiant began to walk towards the garage to get eyes on the Jeep and see who was driving. As they walked, the Jeep drove South through the alleyway. As it passed, **Affiant could see a Hispanic male driver with black hair.** Monitoring the electronic device, the Jeep went to the Green Garage for

approximately 12 minutes.

Just before midnight, Officer Ridenour and Affiant began to covertly follow the Jeep. They found it parked "blacked out" in a parking lot near Austin Lane and Amy Donovan Plaza. The driver was still inside as he stepped on the brakes at one point, illuminating the brake lights. As they watched, they observed a Hispanic male, wearing brown pants and a dark shirt, walk from Amy Donovan Plaza and get into the passenger seat of the Jeep.

The passenger was arrested by the North Metro Tactical Unit on October 21st, 2025, just outside the Jeep at 9701 Stonelake Boulevard. He was identified as G. Hernandez.

Affiant read G. Hernandez his Miranda Rights. He understood and agreed to speak. When Affiant asked G. Hernandez who was driving him around overnight in the Domain on October 18th to October 19th, he stated Tim Henderson. G. Hernandez stated he is romantically involved with Tim. Upon researching that name, Affiant found a Charles Timothy Henderson, born July 28th, 1986. Affiant reviewed the mugshot. It was the same male Affiant saw driving the Jeep on October 18th and October 19th. Affiant also showed the mugshot to Officer Ridenour 6172. He concurred. Affiant later showed G. Hernandez the mugshot. He confirmed that was "Tim Henderson." It is not uncommon for people to go by their middle names.

Affiant believes sufficient probable cause exists to charge Charles Timothy Henderson, a white male born on July 28th, 1986, with Unauthorized Use of a Motor Vehicle, a State Jail Felony. Charles Henderson operated the stolen 2025 Jeep Compass, bearing a wrong plate of "MYP1854" without the effective consent from AVIS Rental.

*Important note: This vehicle has been involved in multiple mail thefts and fraudulent possession of identifying information involving multiple suspects. It is common for a stolen vehicle/stolen plates to be used to avoid law enforcement detection during the commission of these crimes. *
